THINGS ABOUT ME

MEET THE ADVISORY BOARD!

1

How would you define Gate2Brain in one word?

Hope

2

What motivated you to join Gate2Brain's advisory board?

The opportunity to contribute to the development of new treatments for diseases that are currently incurable.

3

What do you see as the biggest opportunities and challenges facing our industry?

Scientific advances will allow us to quickly develop new drugs for diseases currently lacking effective treatments, but the concern is that these advancements may only be available to a select few given their high cost.
